Bangladesh is very small country. There are many problems in our country. Some of them are big and some of them are small. Some of them are Preventable and some of them are unpreventable. But problem is problem. It may be Different only. Such as ----- and so on. ----- is one of the greatest Problem in our country. There are various Causes of it. Firstly, most of the people of our country are uneducated. They are not conscious about the problem, Secondly, we are usually backward thirdly, our government is also responsible for this vital problem. Fourthly We are not economically self sufficient and our country is developing country, so we have faced this momentous problem. Finally it is our Political unrest which is responsible for this problem

Nowadays ----- is a burning question in the third world countries like ours we can not lead a normal life for this problem. Day by day it is going out of control. though everybody feels the problem in our country but no body takes

proper steps to remove it, we should realize that it spoils the peace in our normal life.

so, we should all work hard together to solve this problem. it is not only our national problem but also a worldwide problem. we can easily realize about the effect of it. we hope, we will be able to overcome in the days to come.

Every Conscious citizen of the country should help the government to solve this problem. the problem should be solved as soon as possible to build up our Dear mother land

## Introduction :

Everybody intends to be successful in life. This success depends much on -----**.it** is a great virtue. it brings prosperity in life.it is ornament of human life and key to success.

## significance :

The importance of ----- beggars description. it is very important in every lifestyle. To lead a sound life it is must. it is one of the best virtues of men and absence of it makes a man forlorn and unhappy in life. we should bear in mind that if we develop this virtue, we would be successful in life.the history inspires us to develop this virtue. because, the life and activities of all great men in the world are associated with this virtue. we can conquer everything in this world with developing this quality.

In student life.We know that student life is the best period of a man's life. it is called the sowing season of life. During this period, a student must cultivate some good qualities for bright future. This quality is one of them

## Sufferings

The man who does not achieve this virtue becomes a curse to himself and to his family as well as to society. He leads very miserable life.His life becomes full of sorrows and sufferings. He always lags behind and suffers in the long run.in a word, the consequence of not acquiring this virtue are beyond discription. People do not love and respect him.on the other hand,he is praised and respected by All if he develops this great virtue.

## Conclusion :

In the end, it can be said that the secret of success in life lies in the proper development of this quality. without maintaining this quality, our life becomes a life of full of sufferings. Therefore, we all should develop this virtue to be great in life

-----Journey Related -----

- 01.Recently i have enjoyed journey
- 02.A journey by bus
- 03.A journey by Train
- 04.A journey by. Boat

Introduction :Journey is a great source of pleasure to me.i had a great fascination to make ----- --.in the last month, I got an opportunity to make the journey. it was really an interesting journey. Occasion: I live in Chittagong. My uncle is a service holder.his work place is Dhaka. He invited me to come to see his family and Dhaka city.My school was closed then. Therefore,I accepted the invitation. my heart was leaping with joy. because, my dream was going to be true. I was counting the days for making the journey. The destination was Dhaka.

Beginning journey :On the fixed day, I started my journey in the morning. I collected ticket two days before so that i could get better seat. my seat was by the window.

Discription :The Was running at a good speed and soon it left behind the din and bustle of the town. i enjoyed the green fields trees and orchards on the both sides of the way. The -----was moving ahead leaving behind the trees, fields houses,and small shops on the both sides of the road. it was very delightful to see the beauties of nature. about three hours later, our ----- stopped for some time. some hawkers were selling bananas, muri,chanachur,etc.I bought some bananas. Then our ----- started to run again.I reached the destination in

the evening.

Conclusion :To tell the truth, I finished a colorful lesson in my life through such kind of an interesting journey. The journey was very pleasant. it was one of the most memorable days of my life. I shall never forget the day.
